FOREWORD

It is with mingled feelings that we, the Senior Class of 1955 come to the end of the long journey of our High School careers. As a class we have been joined together in close friendship and companionship during these twelve years. May this edition of the Islander serve as an ever-present reminder of our glorious days at dear Big Island High School.

DEDICATION

MRS. G. N. THACKER

To one whose understanding and guidance led us through two difficult years. Her dependability and wonderful qualities of leadership made these years a treasure in the storehouse of our memories. We proudly dedicate this 1955 volume of the *Islander* to Mrs. Virginia K. Thacker, former Home Economics and Biology Instructor.

G. B. Dawson, Jr.

CARL VAUGHAN ARRINGTON

We all admire our carefree boy
Who thinks to study is no joy
But whatever route he takes
We'll know he'll get just what
he makes.

GORDON BRYANT DAWSON, JR.

He was sometimes absent,
often late
But he very seldom made a
mistake
But I don't think we have
to worry
G. B. will go places in a
hurry.

ROSA ANN DAWSON

Her specialization is in
cooking
But we admit she's not bad
looking
In sports she has been quite
a whiz
We'll tell the world how great
she is.

THOMAS JOSEPH HALEY

He came to us in '54 from
somewhere in the west,
But he has shown us that he is
one of the best.
As we've known him and studied
with him daily,
We know we'll never forget our
pal Tom Haley.

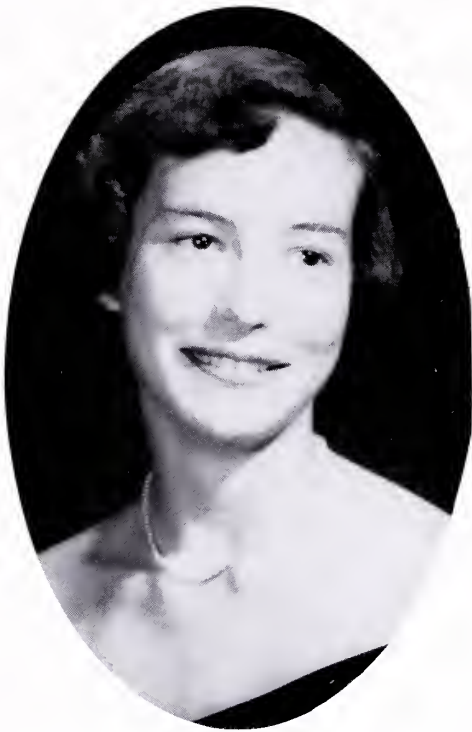

WILLIAM SAXON HUDSON

An example of what a student
can do
This guy has always come
through
We'll know he needs no
luck to succeed
For he has the qualities
that many need.

JOAN ANITA McNEELY

Our gal that's really swell
Seems to do everything well,
Happy-go-lucky, carefree too,
Without Leroy, what'd she do.

DOROTHY JANE OGDEN

A favorite in the student line,
With hair as black as black can get;
She's popular (intellectual too)-
Will we remember her? You bet!

MARIAN LORETTA PHILLIPS

Here's a senior liked by all,
Not so short but not so tall
She eats a lot, we all admit,
But in our school, she's been a hit.

DOROTHY ELIZABETH REYNOLDS

To get an education is the thought in
her mind-
A truer friend to all, you could not
find-
As she goes on her way to college
We'll know she'll make the most of
her high school knowledge.

NANCY GLENN TAYLOR

A most ambitious little scholar,
 She'll always lead and others
 follow,
 In this world she'll go a long
 way,
 Even if we, her classmates, do
 say.

SHIRLEY JEANETTE TAYLOR

"Shirl" is a most outstanding girl
 Even her hair has a "natural" curl.
 Best-all-around, studious too,
 We're so glad to have known you.

MARY ELIZABETH WILLOUGHBY

We thought last year we'd lost this
 gal
 But we're real glad 'cause she's our
 pal
 Short blonde and full of "go"
 Her help to our class always seems
 to show.

PHYLLIS VERNELLE WILSON

Quiet and sweet, likeable too,
What will B. I. H. S. do
without you.
Our good-looking class president
On doing her best, she is bent.

CLASS POEM

OUR THOUGHTS

Our thoughts are of the things to come,
More than of things gone by;
But still there linger memories
Of old Big Island High.

Our thoughts are diff'rent now than when
We shaped these memories;
We did not know that someday we
Would have such thoughts as these.

We're thankful for the ones who gave
Their all that we be led;
And as we lead those after us,
We'll lead as we were led.

And in the moment we depart
From earth, God make our aged hearts
As glad o'er all the days gone by
As those at old Big Island High.

Billy Hudson
Class Poet

CLASS PROPHECY

It was spring of 1970 when I journeyed from my home on the campus of Notre Dame back to my old home town, the city of Big Island. As my husband, Maurice, is a professor at Notre Dame, I accepted a position there also - teaching music. I have 4 children which are quadruplets, 2 girls and 2 boys - but I had left them home with my highly educated baby-sitter Madam Mazar, who formerly lived in Big Island. (You may remember she told fortunes at all our old school carnivals.) I decided to first visit my old classmate, Phyllis Wilson (who is now Mrs. B. R. Vandoozen) at her ultra-modern apartment on the corner of Charlemont Avenue and Sweet Hollow Road. Phyllis is now the Superintendent of Nurses in the 1,000 bed hospital, the Oglesby Memorial, where her husband is a widely known surgeon.

As I was planning to stay a few days in my old home town, Phyllis and I went over to the Burkholder, Big Island's newest and largest hotel, which is one of a chain of hotels all over the United States. There we found Mrs. William Manley, the former Mary Willoughby who has been happily married for 13 years to her childhood sweetheart and has 10 children, all boys, who are in a private school while Mary and her husband are working.

While driving through the big metropolis of Big Island in Phyllis's 1970 Cadillac, she showed me the huge Spence's Hill Baptist Church where another of our classmates, Doctor William Saxon Hudson, D. D. S. is pastor. His wife, the former Iris Routon, is choir director of the huge choir of 1,000 members. Mr. and Mrs. Hudson are widely known all over the world for their evangelistic crusades and missionary work. Their church, which has an enrollment of one million, is located on the peak of Spence's Hill.

The daily Big Island paper, the Rush Tribune, today carried the pictures and news story of the world famous star of the women's division of the Globe-Trotters basketball team - Mrs. Odie Coffey, the former Rosa Dawson. Although Rosa Ann is successfully married to the manager of the Globe-Trotters and has 3 little globe trotters, she is renowned for her faking, pivoting, and stomping on the basketball court. Phyllis and I immediately made plans to see her the next time she came to Big Island or Notre Dame.

The next stop we made was Phillips' Supermarket, Bakery, Sandwich Shop, Restaurant and Snack Bar, Marian Phillips owner and proprietor. She was not in, however, as she was in Switzerland testing cheeses for her famous Grill Cheese on Rye sold at her Sandwich Shop. Miss Phillips is widely known for her recipes and food which she developed through her extensive eating program.

Miss Phillips' manager told us also, that Miss Phillips' closest friend, Mrs. Leroy Arthur (the former Joan McNeely naturally) was visiting in Big Island. Since graduation, Mrs. Arthur has become a secretary for her husband, who is a general in the Air Force at the U. S. Air Force Base in Sweden. As Mrs. Arthur had not been home for 15 years, she was the center of attraction with her Swedish accent and clothes. That night we attended the astounding Parks Conservatory, a concert by Nancy Taylor who has toured the world as a concert-pianist. She had also a violin accompanist, Miss Nancy King Peck, her former piano instructor. Nancy has also invented a new combination instrument, the Callawacker which plays all instruments at one time. Nancy has become very wealthy as well as prominent since graduation.

Next on our agenda was a visit to the jet plane factory of Carlos Arrington, the master mechanic. Carlos has established the Hensley jet plane factory and modeled several planes after the blueprints he made in Art Class. Carlos' wife - the former Senorita Anna Maria Gondolas. Carlos and his wife have a huge ranchero with an adobe house. There, the 15 little senoritas can play.

Miss Dot Reynolds, another of our classmates, is now teaching at the new consolidated Big Island High School. Miss Reynolds accepted the teaching position after attending Lynchburg College and touring Europe. She has charge of the revised physical education program at the new high school which includes swimming, tennis, hockey, and golf.

Miss Shirley Taylor is now nursing at Oglesby Memorial Hospital. Shirley is now engaged to a prominent doctor. After many love affairs she has finally decided on the doctor she likes best. Shirley's dream of the past is coming true in the near future. Shirley also has quite a large interest in "Goodbar" - oops - we mean candy of course.

Captain Gordon Bryant Dawson, Jr., U. S. Marines, was reported to have been married while in Hawaii to a beautiful Hawaiian girl. G. B., as he is better known, is making a career of the U. S. Marines. G. B. has been in all parts of the world and has become quite a well-known person. He will retire soon and live in the Hawaiian Islands with his hula dancers.

Thomas J. Haley is now a National Forest Ranger in Ohio. After 4 years at the University of Wisconsin, Tom decided he didn't want to live alone. He is now married to the famous Marilyn Monroe who has given up her movie career to stay home with the little Haleys. Even though there is an age difference, Tom and Marilyn have worked out a perfect marriage.

This magnificent Senior Class of '55 was the last to graduate from the old Big Island High School. As a gift to the school is the usual custom, this remarkable Senior Class left a new modern high school for the oncoming classes. After a tour of this magnificent building, I boarded my plane for my flight back to Notre Dame to my professor and my little "Moose" and Madam Mazar.
